The Circuit Court Judges give Estimates for Their Departments—Pay of Office Employees.

The Board of Supervisors for Oahu County held an important meeting yesterday and passed a resolution providing for the establishment of a new tax for the purpose of paying the salaries of the Circuit Judges. The resolution was approved by all members of the Board, and the tax will go into effect immediately.

The tax will be collected from the taxpayers of the county on a per capita basis. The amount of the tax will be determined by the needs of the Circuit Court and the financial resources of the county. The tax will be used to fund the salaries of the Circuit Judges, who have been requesting a raise for several months.

In other news, the Board of Supervisors also approved a resolution to establish a new department to handle the increasing number of cases in the Circuit Court. The department will be staffed by a team of experienced attorneys who will work to streamline the court system and improve the efficiency of the court.

The new department will be funded through a combination of taxes and grants from the state and federal governments. The Board of Supervisors has already begun negotiations with the state and federal governments to secure the necessary funding.

In conclusion, the Board of Supervisors has taken an important step towards improving the efficiency and effectiveness of the Circuit Court. The new department and tax will go a long way towards addressing the needs of the community and ensuring that justice is served fairly and promptly.

WILL ANNEX US TO CALIFORNIA

Senator Novicka in a speech before the Senate said something interesting last week: "The idea of annexing Hawaii to California is not a new one. It has been discussed for many years, and it is an idea that has been considered by many people. It is a step in the right direction, and we should give it serious consideration."

Senator Novicka's statement has caused a stir among the lawmakers and the public. Some people support the idea, while others are against it. However, one thing is clear: the idea of annexing Hawaii to California is not going away anytime soon.

In conclusion, the idea of annexing Hawaii to California is not a new one. It has been discussed for many years, and it is an idea that has been considered by many people. It is a step in the right direction, and we should give it serious consideration.
