SCHOOL MASTER TO PRESIDE

He Worked Among Orphaned Educational Institutions Through the Nas, and His Successors Must Sit Down on Its Sponsorship in the Aftermath.

(Alf E. Enneking) Berlin, May 4.—In the closing quarter, Dr. H. G. M. von Bismarck, the Minister of Education, issued an order that all schools must be closed indefinitely, except those operated by religious bodies.

The Associated Press

The order affects all schools in the German Empire, including those in the Empire of Austria, and will be enforced by the Education Department.

The Minister of Education also stated that the order will remain in force until further notice.

LONDON, May 4.—The British government has decided to impose a new tax on all newspapers, magazines, and periodicals. The tax will be imposed on all publications issued within the Empire, and will be collected at the rate of one shilling per copy.

The Minister of Finance has stated that the tax will be used to finance the war effort.

The Minister of Finance also stated that the tax will be enforced by the Inland Revenue Department.

The tax will be collected at the rate of one shilling per copy, and will be imposed on all publications issued within the Empire.
