Puzzles for Uncle Sam

BATTLESHIP OHIO DOES WELL ON HER FIRST SPEED TRIAL

The battlecruiser Ohio was given her first opportunity to show her speed on the fresh test boat in the thirty-six engines, and gave a trial run under full speed, with the result that she will have another trial run, possibly within a week or two, and the owners will then have a decided idea of the vessel. The test will be on the way.

THE ACHAEAN POST OFFICE

As Australian correspondent of the Homestead World makes known, the post office at Melbourne, which has been opened very recently, has become a very busy one. The post office is situated on the first floor of a building, and has a staff of four clerks. The building is of two stories, and there is a large hall on the second floor, which is occupied by the post office.

PREVENTS MAL DE MER

The post office is situated on the first floor of a building, and has a staff of four clerks. The building is of two stories, and there is a large hall on the second floor, which is occupied by the post office.

A BALLAD OF GARDENS

The post office is situated on the first floor of a building, and has a staff of four clerks. The building is of two stories, and there is a large hall on the second floor, which is occupied by the post office.

WESTERN CANADA

Three Divisions Offering Fair Chance for Settlement—Growing and Mixed Farming.

The oil business used to do well in the north. But now it is doing well in the south. The oil business in the south is doing well because the oil business is doing well in the north. The oil business is doing well in the south because the oil business is doing well in the north.

The post office is situated on the first floor of a building, and has a staff of four clerks. The building is of two stories, and there is a large hall on the second floor, which is occupied by the post office.
