S.S.S. HEALS FUNGO SORES AND ULCERS

Sane and Ulcers are indications of impure blood. They show that the arteries are diseased and the veins are clogged with bilious (fat) and impure blood. When these impurities in the blood are the result of some debilitating diseases, an old shirt from a sick person, or whether his family has had blood, there is but one way to cure sore ulcers and that is to purify the blood. When, after, and fifteen minutes, you will have the best balm for ulcers and sore ulcers that has ever been made. A century old and pure, with the best of their kind, we will gladness and confidence.
