THE INDIANANT MR. BELL OF PIERCE

(Special to The Press.)

OLYMPIA, March 6.—Representative W. J. Bell of Pierce is in the duration point of the house.

With both Indian and white members of his party present, Bell made his way through the throng of journalists and approached the Speaker's desk, accompanied by a small entourage of priests, nuns, and bishops.

Bell, with a flourish of his hand, exclaimed, "I am the true champion of the Indian cause!"

"I have served my constituents, and I will continue to serve them. I stand by my principles and I will fight for justice and equality for all." Bell, speaking in a soft mellifluous whisper, then added, "I am not afraid to stand against the tide."
