Alfred Cornwell, Jr., bishop of the Catholic National Bank of Omaha, at 1094, and Miss Laura Andrews, formerly the bank's stenographer, both of whom are missing. The directors of the bank have reported a shortage of $15,000 in the cashier's register.

**ISONZO PEOPLE WELCOME ITALIANS.**

Men Bob. Edward D. Hayes was confirmed as archbishop of the French speaking peoples of Canada, succeeding the late Archbishop Biron. The consecration service was held in his native St. Mary's cathedral.

**Prettiest or Practical, or Both.**

Some of this season's undertakings are more practical, and are not very popular, but there are two that should be noted. One of these is the new necktie, which is celebrated for its attractive quality. The other is the necktie, which is admired for its practical quality. The necktie is a great favorite with the masses. The necktie is a great favorite with the masses.

**Re-enforcements for Americans in Haiti.**

Soviet in the League Island navy yard, Philadelphia, on Sunday, were quartered aboard the "history-making Constitution" to be taken to Haiti to reinforce the command of Rear Admiral Carpenter and help in maintaining order on the island.

**A scene in the house when the diagram for revision took place.**

The Italian soldiers were hailed as the "heroes" of the nation, which was as far south as the inhabitants could remember was under Austrian rule. Everywhere the inhabitants turned out to give these heroes greeting. The photograph shows women giving flowers to the Italian troops.
