ALBANY, N. Y., February 15.-In the course of an exhibition given in this city today by a certain public man, which was delivered before the orators' club and was witnessed by many prominent citizens, the speaker made certain charges against certain individuals who are now involved in a scandal in the city of New York.

The speaker alleged that certain public officials were involved in a scandal, and that these officials were using their positions for personal gain. The speaker further alleged that these officials were receiving bribes and engaging in corrupt practices.

The speaker was later questioned by the police, who demanded to know the source of his information. The speaker refused to answer the questions, and the police were forced to leave without obtaining any information.

The speaker later issued a statement, in which he denied that he had any knowledge of the matter, and stated that he had been misinformed.

The matter was subsequently investigated by the police, who found no evidence to support the charges made by the speaker.

However, the matter has not been entirely closed, and it is expected that further inquiries will be made, in order to determine the truth of the charges.

Board Makes an Investigation and the Crew May Shun the Process.

The forged document is said to have been made by a man who was a member of the crew of the vessel, and who was responsible for the forgery.

The forged document was handed to the crew, and the crew were so induced to believe in its authenticity that they refused to perform their duty, and refused to carry out the orders of the government.

The forged document was subsequently discovered, and the crew were arrested, and are now awaiting trial.

RUMOR

Will there be a new voyage of the HOPKINS?

The Hopkins, which has been in commission since the beginning of the year, is now being prepared for another voyage, and it is expected that the voyage will be made soon.

The Hopkins is a destroyer, and is one of the most powerful vessels in the navy. It is expected that the voyage will be a successful one, and that the vessel will return to port in good condition.
