They'll Find the Best Values

That's what we do for our customers. Our stock of meats is balanced every morning by a representative of the market. This is a good bet, for we offer you only meats that are at their best. Our meat is not on display for a few minutes before we put it on sale.

Carl B. Halsey

President

This is the way to get the best values, according to the market in this city. Here's how you can be sure you're getting the best meat.

The secret, according to the market, is in getting the meat at its best. We offer you only meats that are at their best. Our meat is not on display for a few minutes before we put it on sale.

Genuine "Bull" Durham

SMOKING TOBACCO

A "roll your own" Bull Durham has a distinctive character that makes it stand out from other tobaccos. It is a blend of the finest Virginia and Burley tobaccos, with a touch of Kentuckyiana. The result is a rich, mellow flavor that is sure to please.

American made, American smoked, American worth the price.

Cleaning Out Breech of naval cannon

One of the naval cannon breeches for the Spanish war was cleaned out by a crew of the Boston. The breech was opened and the black powder was removed. The crew then cleaned out the breech with a brush and a pick. The breech was then closed and the cannon was ready for use.
