God and the Devil

The Church Is Fighting for Its Life

"The war is not a holy war, a crusade, a mission, a Holy War," says an old-time American Churchman.

The Poor, the Sick, the Needy
The Japan-American War, 1941-1945, is not a war for the poor and needy, for the sick and the disabled. It is a war for the rich people. It is a war for the men with money. It is a war for the men who can afford to buy arms and ammunition.

Getting Away from the "More Semblance"

So well planned and so well regulated is the war that it is almost impossible to see the resemblance of a war to anything else. It is almost impossible to see the resemblance of a war to anything else.

Victory? What Christians Have Petitioned For Centuries

The answer is: Not yet. The war is not yet won. The war is not yet won.

The Nation's Cross

Mount Everest is now more than 29,028 feet high. The cross is now more than 29,028 feet high.

He'll Livery

It is a tradition that the church will give a solemn benediction at the beginning of a battle. The church will give a solemn benediction at the beginning of a battle. The church will give a solemn benediction at the beginning of a battle.
