TWO ESTATE GAS RANGES TO BE GIVEN AWAY

Special arrangements have been made by this company to get Mr. Charles J. Draper, probably the greatest and best posted gun in this country on gas ranges, to come to this city and give a series of free demonstrations on how to use a gas range.

He will explain how to cook on a gas range, how not to cook on a gas range. He will explain and demonstrate how economical gas ranges are, how to get the most with the smallest amount of gas.

Free Demonstrations, May 18, 19, 20, 21, Wednesday, Thursday, Friday, Saturday, From 3 to 5 p.m.

Everyone in Rock Island and Moline is invited to be present. We will give a coupon ticket to everyone (not children) who will come to these free demonstrations. These coupon tickets are numbered and the following articles will be given away:

FREE 2 ESTATE Gas Ranges. FREE 10 Gas Range Waffle Irons

Wednesday we will give away Five Waffle Irons

Saturday we will give away an $18 Estate Gas Range

You must present your ticket when these are given away and you must live on a line, or on a proposed extension of the Peoples Power company's mains, and the gas range must be installed within 30 days after gas connections are made.

Personal instruction will be given anyone between the hours of 9 and 12 a.m. Refreshments will be served and the women are urged to bring the "men folks" along. All demonstrations free.

In the Old M. & K. Store Room on Second Avenue.

A MODEL OF NEW YORK

Pennsylvania Railroad's remarkable exhibit at the Midway Plaisance, the most complete representation of New York ever shown in Chicago, is a signal success. The building exhibition is held in the Astor House, on the corner opposite the entrance to Grant Park. The exhibit is a perfect model of the city, with all its famous buildings and streets.

The exhibit is divided into sections, each representing a different part of the city.

The New York section includes a model of the city, with all its famous buildings and streets.

The exhibit is open daily from 10 a.m. to 8 p.m., and is free to the public.

Tests of low temperature

Pennsylvania Railroad's latest exhibit at the Midway Plaisance is a model of New York, which will be shown by the Pennsylvania Railroad. The exhibit will include a series of models of the city's largest and most important terminals and terminal buildings.

The models will be built on the scale of one inch to one foot, and will be made of wood, with details of all buildings accurately represented.

The exhibit is open daily from 10 a.m. to 8 p.m., and is free to the public.

Farmer's Plan for Fudge the Green

For the benefit of the Green and the farmers of the surrounding counties, the Rock Island Farmers' Cooperative Association, has made arrangements for the sale of its famous fudge at the Green this year.

The fudge will be sold at the Green at 10 cents per pound.
