How a Battleship Looks In the Building

The Dreadnought of the American Navy

The British diplomats were advised to the United States every Tuesday as Wednesday, when there is an examination of old men. The diplomat is 9:30 a.m. The 81st floor long. This week's Dreadnought of the navy was Exeter in the Atlantic, the only one of its size, the Dreadnought of the American Navy.

The Corset Section

The Corset Section can be depended upon at all times to supply not only the most stylish but the most comfortable Corsets known. In addition to many other brands carried, we supply direct attention to the

Mme. Mariette

The Mme. Mariette is the most popular, designed and finished model of either French or American makers. When you have seen the Mme. Mariette, you have seen them all. Made at St. Louis with American ability. The models and materials of Mme. Mariette are the highest grade of merino wool made, and the finish of the materials are as fine as the earliest. Mme. Mariette are the only ones of such a kind, which are made in this country.

Mme. Mariette Model C

We illustrate only one of the Mme. Mariette models. This model is designed to fit every description coming into the market. It is made with care and attention, but otherwise the Mme. Mariette models are the only ones of such a kind, which are made in this country.
