CLARENCE DARROW IN CHARGE OF CASE

Chicago Lawyer Arrives in Los Angeles to Defend McNamara Brothers.

CHICAGO, May 22—Clarence Darrow, Chicago lawyer, who has been much in the public eye recently as the counsel for the defendants in the trial of John R. Conaway, is here today and will be in charge of the defense of the McNamara brothers, who are being tried in this city for the murder of Mr. and Mrs. Richard Kelly in Chicago last November.

Mr. Darrow is one of the leading attorneys of the country and is well known for his ability in handling cases. He has been in Chicago for the past several days and has been actively engaged in the preparation of the defense for the McNamara brothers.

The trial of the McNamara brothers is expected to be one of the most important cases of the year and Mr. Darrow is expected to make a strong effort to secure a reversal of the conviction.

BULLET ENDS LIFE OF TONY VON PHILU

Fatal Outcome of a Quarrel Which Started Over Woman at Denver.

DENVER, May 22—Joseph Von Philu, a prominent Denver lawyer, was shot to death here today by his friend, John Von Philu, over a woman.

The shooting occurred at a dance here. Mr. Von Philu, who was on his way to the dance, stopped at a saloon to talk to his friend and the two men got into a quarrel. The argument became so acute that Mr. Von Philu pulled a gun and shot his friend in the chest.

Mr. Von Philu is expected to be arrested and charged with murder.

HOUSE COMMITTEE TO LOOK OVER THE REPORT

House Committee to Consider Report of Government's Investigation of California.

WASHINGTON, May 22—The House committee on the investigation of California is to look over the report of the government's investigation of the California mining district.

The committee has been investigating the mining district for several months and has been criticized for not making a report.

The investigation was ordered by the government to determine whether the mining district was being exploited by the absentee owners.

WILL PREVENT RETURN OF CONTACTS TO PANAMA

Washingon, May 22—Secretary of War Newton D. Baker has issued the following statement:

"The government will prevent the return of contacts to Panama.

"I have received information that the contacts are likely to be used by the Panamanian government for political purposes. I shall not allow them to return to Panama until I am satisfied that the government is not likely to use them for political purposes.

"I shall order the contacts to be returned to the United States and shall prevent their return to Panama until I have investigated the matter thoroughly and have been satisfied that the government is not likely to use them for political purposes."
