U. S. SUBMARINES
FASTEST OF ALL

Boats Under Construction Will
Be Two Knoet Steamer Than
Any German Has.

Washington, D.C. - The new type
of submarine being built by the
United States Navy will have at least two
speeds, with a maximum speed of 15 m.,
and a maximum distance of 45 n. or 24 m. an
hour.

With only a top 15-mile per hour
speed, the United States will be

able to capture any German sub-
marine, as its maximum speed per

hour is 15 m. and its maximum distance
is 45 n.
