During her speed trials off the coast of Maine the other day, the new battleship American ran into an uncharted reef that damaged her bottom. Despite attempts to extend the protective covering of the hull, she sustained a constant speed of 30k, leaving 171 seawater behind.

**Children Sold as Slaves**

Annual Fair is Held at Friedenberg to Save Billions to Slaves.

Pilgrims—A strange custom prevails in the Tyrrells. A landless peasant sells his children for the summer to the largest estate near his home. The sale being effected at an annual fair held on Friedenberg. This year 150 boys and 30 girls, both 

Boys and girls sold for slaves, were offered. Purchasers were not permitted to inspect the potential property from Tades, Wansing, and Szun, but they have their firm in the city on work to their names. The purchasers
