Authentic Spring Styles for Young Men and Men Who Stay Young

You know that clothes are sometimes stylish, and nothing else; they are made to catch the eye of the man or young man who is going to buy clothes.

They do catch it, and he thinks he’s getting something substantial, when he’s only getting style.

Style is all right, but that isn’t all to be had—if there’s no sound quality back of it. The style is soon gone; the clothes look pretty bad.

“Society Brand” made by Alfred Dower & Sons and “Hart Schaffner & Marx” Clothes are recognized and known as “the bad.” They’re made from the Highest Quality all wool Fabric woven in America and abroad. They’re the best in style—the tailoring is the best—and these are the things that give service—which means economy.

Hundred of attractive patterns in all of the new designs created for Spring. Select your Easter Suit or Top Coat now—many new models in single and double breasted styles.

The Real Remedy

In his annual report the Comptroller of the Curies shows a shortage in production of basic materials in 1929 compared with other years as follows:

<table>
<thead>
<tr>
<th>Item</th>
<th>1928</th>
<th>1929</th>
</tr>
</thead>
<tbody>
<tr>
<td>Coal</td>
<td>120,000,000 tons</td>
<td>70,000,000 tons</td>
</tr>
<tr>
<td>Steel</td>
<td>8,000,000,000 tons</td>
<td>6,000,000,000 tons</td>
</tr>
<tr>
<td>Copper</td>
<td>1,000,000,000 tons</td>
<td>500,000,000 tons</td>
</tr>
<tr>
<td>Aluminum</td>
<td>100,000,000 tons</td>
<td>50,000,000 tons</td>
</tr>
</tbody>
</table>

With a corresponding shortage in available capital, it is used exactly where there is a need.

The real remedy is equally apparent. It is simple, ancient and prudent—“Work and Sourd.”
