BAR EXAMINERS PICKED

Emerson Smith Continues on Duty With Two New Associates—Attorney Yet

At 4 o'clock yesterday afternoon the board of legal examiners met to consider the following appointments made for the bar examination, June 20, and becoming effective upon the approval of the governor, as follows:

V. B. Luke, for two years, to succeed V. H. Parrott, as associate judge of the court of civil appeals. The governor deemed it advisable to remit the question of disbarment action inasmuch as he had severed his connection with the state bar association in 1918. Mr. Luke is a former secretary of the board of legal examiners.

D. C. Johnson of Red River, for two years, to succeed M. B. Ring, as a member of the board of medical examiners. Mr. Johnson is a graduate of Rush Medical College and a former member of the hospital board.

The governor assumed the duty of signing the certificates of appointment, these additional state officers, as well as the certificates of appointment of the members of the board of examiners, which had been signed by the attorney general.
