"Non-Existent" Censor Here Holds Up News

We keep our promises—When we say you can find shirt satisfaction in any of our shirts, if we can't we give you your money back. Our guarantee is good to the last ounce.

We weave our own fabrics and do all of our own cutting, mending, and finishing—we're real shirt headquarters.

That's the reason we can sell a very fine material shirt in weaves and patterns to suit all tastes at $2.65.

OUR AMERICAN CENSORSHIP

O.B. (one brief case)
S.S. FREDERIK VIII
Copenhagen

The reparation question is that of a subject given to Elias Tolden, Trink's correspondent, when he was asked of his plans for a new novel. The reason is that of an exercise addressed in the handling of the censor's assistant himself, showing that the "nonexistent letters" sufficient.

THE SODA TAX

The federal tax of 10 cents on every ten cents of fraction or in effect on all soda drinks. The Government claims it must be collected from each consumer.

We are doing our best to collect the revenue for the Government with the least inconvenience to our customers.
