HELP THE CHILDREN

The 10,000 Daily campaign to raise $400,000 with which to purchase property for the boys and girls of the Home of the Friendless, is now in its full stride and nearing completion.

The Home of the Friendless is located near the corner of S. 7th and W. 4th, in a locality where the boys and girls are in close contact with business men and other prominent citizens of the city. The Home was founded by Rev. A. L. Smith, who was the first president of the Home, and who has been succeeded by C. A. Collins, who is now the president of the Home.

The Home has been in operation for more than 30 years, and during that time it has been the home of hundreds of boys and girls who have been rescued from the perils of the streets and the temptations of the world.

The Home is dedicated to the care and education of the orphaned and neglected children of the city. It is a place where the children can learn the values of hard work and honest living, and where they can be taught the lessons of morality and virtue.

The Home of the Friendless is in need of a new building, and the campaign to raise the necessary funds is now in progress. The boys and girls of the Home are doing their best to raise the money, and they are asking the help of the citizens of the city.

The Home of the Friendless is the only organization of its kind in Spokane, and it is the only home for the care of orphaned and neglected children in the city.
