THE GULF COAST BREEZE

Official Organ of Walton County, Florida

SARATOGA-HARBOR, THE RETREAT OF CERRENA, SHOWING THE FORTS BOMBARDED.

Through the courtesy of the Charlotte (N.C.). Observer we are enabled to give our readers the above cut, clearly shewing the scene of the naval fight between the forts and the Spanish ships. The photograph is taken from the pier at Bahia Honda, much advantage being taken of the fact that the ground is near level.
