Report Charges That Mine Operators Used Military as Wedge to Reduce Wages

WASHINGTON, Jan. 13.—President Roosevelt has determined to withdraw the federal troops from Goldfield, Nev., shortly after the legislature begins the special session Tuesday. This intention was made known at the White House today, when the report of the special investigating committee was made public, together with a letter from the president to Governor Spaulding dated January 4. The president says he shall be governed by the recommendations in the report unless the governor can show that the statements of the report are not in accordance with the facts. The report says the conditions did not warrant the employment of troops. The president says he intends to take the same action as in Justice's case.
