DIMINENT NAVAL OPERATION IN NORTH SEA IS
REGARDED AS GERMANY'S "DESPERATION MOVE"

The naval forces of America, led by the German great fleet in the
North Sea, are to be the enemy of the North Atlantic fleet, which is
composed of 2400 ships and is the most powerful of the German
fleet. The German fleet is expected to make a determined effort to
sweep the North Sea, where the German fleet is superior in power.

Theodore William
KILLED WHEN HORSE FALLS UPON HIM

Charles William, a laborer for the
Ogden House company, was killed
while working yesterday. He was
thrown from a horse that was being
used for pulling a load of freight
in the Ogden House company's
yard. The horse fell on him, and
he was instantly killed.

DEBT LOADER DELAYS WORK OF THE FARMERS

Beebee Valley in the lower
parts of the Ogden Valley has
been hit by a severe outbreak of
flea. Beebee Valley is one of the
most productive parts of the
Ogden Valley, and the farmers
there are making every effort to
eradicate the flea. The farmers
are confident that they will be
able to control the outbreak in a
few days.
