A Detachment of Amateur Sailors Left Washington Today to Bring the Vessel Home From League Island Navy Yard.

DISTRICT SAILORS GO AFTER MONITOR

Battalion Leaves for Philadelphia This Morning.

LONG CRUISE HOMeward

Ship Not Expected to Reach Philadelphia Until September 15.

Battalions and Belfets, N.Y.

Propoganda Blues who, with other sailors, have spent Saturday and Sunday on board the Monitor, are now looking forward to the arrival of the new ship, at which time they will start to man the vessels. After a few days, the Monitor will sail to the eastward, where the new ship will be left.

THEY'RE VACATIONS COMING TO AN END

Employees of the Various Departments Returning to Washington—Many Still Out of the City.

THOUGH the regular schedule is not yet in effect, trains are running to the northern and southern parts of the country, and are also running to the westward, where the majority of the employees are returning to Washington. A large number of them have already returned, and the rest will be following shortly.

CHIEFS OF DEPARTMENT OF AGRICULTURE SCATTERED

Dr. A. M. Farrington, Chief of the Department of Agriculture, with the Army, is en route to the eastward, where he will be spending the rest of the summer. Mr. W. E. Smith, of the Bureau of Agriculture, is in New York, where he is spending the summer.
