U.S.A. T. GARD. W. BOWEN.....
 Rescued at Sea
 This is the fourth rescue for the **GERMANY** at sea. The U.S.A. T. G. **Holbrook** enroute to Bremerhaven, Germany, from New York rescued the **GERMANY** responding a distress at sea. Inflation came. It is claimed that the American people will struggle with it. The world's monetary system, the world is like the city of Detroit. If the key industry shuts down, the United States is considered the key monetary nation of the world. If it slumps, all nations will slump. The world is watching our way of doing things, and it will determine its way of life by the democratic or totalitarian way of life. Our way of life will be determined by our work and sacrifice.

Washington....President Truman returned to the Capitol after an 16-day vacation with all the domestic and foreign problems facing him. He feels no need to call an extra session of Congress, although on the domestic front, the greatest seaman's strike in the history of the United States has taken place. He feels that Secretary of Labor Swannick will be able to arbitrate satisfactorily. Yesterday, 100,000 walked off their ships, leaving some 600 ships in all of the ports of the Atlantic, the Gulf of Mexico and the Pacific. Today this will tie up everything that floats in the the United States. It is claimed that this will affect 400,000 men who are in sympathy who will honor the picket line. The housewives of America will find that at the close of this banner season that there will be without sugar and other important commodities.

The U.S.A. T. **Edmund B. Alexander**, carrying American dependents to Germany, sent out a distress signal late last night after an explosion aboard the ship. An hour later, the ship radioed that the danger was under control. The nature of the explosion and the extent of the damage is unknown. The **ALEXANDER** was an American-controlled part of Bremerhaven. All passengers were rescued safely.

Washington....Senator Clayton of the Foreign Affairs Committee made it known that Marshall Tito of Jugoslavia has not answered the American note in regard to the loss of American planes and flyers.

SHOWS OF U.S. FOR "WAR HEROES"

The states bordering on either side of the Mississippi and Missouri Rivers are known as the "breadbasket of America" and are considered as one of the large sources of the world. They raise great quantities of wheat, corn, all small grains, dairy products, and it is one of the world's meat producers.
 A few are herein listed, for not only is it the bread basket of America, but within them are found centers of industry and commerce: Detroit, in south-eastern Michigan has over a million and half people. The **TOY** industry is the manufacturer of Automobiles, Cleveland, Ohio is a large steel and electric center. Chicago, is the second largest city in the U.S. Its location makes it the largest railroad terminal not only in the U.S. but in the world. Over 30 rail systems radiate from it. It is a **Meat** packer center of the U.S. It is a **Lake** port as well as one of America's air ports. It is a city of culture, having more book stores than any city in the United States. St. Louis, Missouri, is the largest city of the Mississippi. It is a railroad center, manufacturer of clothes and machinery. Milwaukee, Wis is on the eastern shore of the state of Wisconsin. It is called the **Green** City of America, and also the **Heart** of America because of its beautiful harbor and blue waters of Lake Michigan. Wisconsin produces more cheese of different varieties than any other state. The Twin Cities of the **Manufacture** of the Mississippi in Minnesota, St. Paul and Minneapolis are the center of most of the grain of the North-west, and most of the **center** of the country. Kansas City, Missouri is the mid-west's second most center and packing industry. It is the fifth largest railroad center of the United States. It is the gateway to the West and the South-West. The **Old City** of the Mouth of the Mississippi is New Orleans. It is typically French with its many narrow streets, and wide boulevards and promenades. It is the main port in the Gulf of Mexico. Its main port is **the** Gulf of Mexico. It has fine schools and beautiful parks. It has the **the** Gulf of Mexico and the culture of France. Its **the** Gulf of Mexico.

Bombay.....Conditions at the **TOY** city have improved. There have been 3 killed, 15 injured, and 45 suspects arrested in the last 24 hours.

London...all churches in Britain have had large congregations at prayer. The worshippers were frenzied enroute to church, for it has been raining continuously for the last 11 days.

Washington....Senator Clayton of the Foreign Affairs Committee made it known that Marshall Tito of Jugoslavia has not answered the American note in regard to the loss of American planes and flyers.
