CHAPTER 27

BOAT HANDLING

27-1 GENERAL:-

The LSM is provided with one 12-foot standard wherry.

27-2 STOWAGE:-

The wherry is stowed on the Superstructure Deck, port side, between frames 21 and 24.

27-3 HANDLING ARRANGEMENT:-

The handling arrangement consists of a single davit with suitable hoisting sling. The boat is hoisted and lowered by hand power.
