

The Source of Cottolene is the Sunny South The Source of Good Health is Cottolene

Cottolene is made from the choicest of cotton oil. From Cottonfield to Kitchen—human hands never touch the oil from which Cottolene is made.

Pies, doughnuts and cakes cooked with Cottolene can be fearlessly enjoyed by the most determined dyspeptic. For Cottolene makes food digestible as well as palatable.

There is no substitute for Cottolene, because there is no shortening as good as Cottolene. It is pure, clean, neutral in taste and flavor, and absolutely the purest and most healthful frying and shortening medium.

SPECIAL MUSIC IS FEATURE OF REVIVAL

Dr. Breeden Preaches on Fatherhood and Many Wear Flowers.

The musical services under the direction of Prof. Lintt at the First Christian church last night were unusually good. The duet by Mr. Travis and Prof. Lintt, entitled "Don't Forget the Old Folks," was a feature. "The Lost Lamb-child" was rendered by Miss Turner. A trio composed of Miss Probst, Mr. Travis and Prof. Lintt, sang "That Far-away Home," and just before the sermon Mr. Travis gave the tenor solo, "Father's Growing Old." Many requests have been received for a repetition of "The Sparrow Song," which was sung on Tuesday and Wednesday evenings, and Miss Probst will sing it again before the meeting closes.

Nearly every one in the audience wore a pink carnation in honor of father, as the evening was observed as "Father's night." The flowers were collected, and today were used to brighten the day for a number of fathers who are sick in the hospitals. The sermon by Dr. Breeden was an appeal to the higher qualities of men who have been called upon to bear the responsibility of fatherhood. As an innovation, the audience was asked for the scripture lesson, and different people gave from memory passages which bear on the theme of the service. The subject of the sermon was a "Father's Lament," based on the story of David's grief at hearing of the death of his son Absalom. The speaker noted what a pleasant childhood the sons of David must have had, as their father was raised as a simple shepherd lad, and with all the honors which came to him after his rise to fame and power, he never forsook his early ideals. His sons were trained in all things which would make of them wise rulers, and David's success in this teaching is shown by the fact that Solomon was regarded as the wisest of men. And yet David was not the worthy father of the old testament, as he sinned a great sin. Abraham is the one to claim this distinction. "A father's duty to his children involves his authority over them, his duty of providing for their welfare, both spiritual and physical, and his example before them, and his influence over them for righteousness," said the evangelist.

The address was closed by a declaration that no man can be a father, he should be unless he bows to the will of his father in heaven. "Beware what content you, by your character and conduct put into the word 'father.' If your boy is ever to have a religious life, he will pray, 'Our Father who art in heaven.' What kind of a God will he worship if he gets his idea of Him from his own father who is a living traitor on fatherhood and manhood? Only by implicit faith in the divine Father can a man become a truly 'worthy father.'"

The services were closed with a benediction by Rev. Dr. Hanks of the Calvary Baptist church. Tonight the subject of the sermon will be "Not Far from the Kingdom," and again the musical features of the services will be very prominent.

When it comes to sending out the wedding cards, it's the bride's deal and the groom's ante.

The average girl would rather be a rich man's widow than a poor man's wife.

There isn't a great deal of difference between marrying a man to reform him and trying to make an omelet out of a bad egg.

The Finest Dry Dock In the World

Uncle Sam is building a new dry dock, which, when completed, will be the finest in the world. This dock is being built at the Norfolk navy yard, Norfolk, Va., and the above photograph was taken from the fighting top of the battleship North Dakota. This dock will be 732 feet long, and will be able to accommodate two ships as large as the battleship North Dakota at the same time. It is expected that the dry dock will cost upward of half a million.

TWO BROTHERS ARE DISCOVERED KILLED

Are Found in Cabin Near Cananea and Mozo Is Missing.

Cananea, Mexico, March 3.—Antonio and Eduardo Preciado, brothers, employed by the Sonora Cattle company, have been found dead in their cabin, killed by an assassin. Antonio Preciado was in Cananea on Saturday and returned to the cabin that night and it is not known just when the crime was committed.

A mozo who was working for the brothers assisting them in cutting fence posts, has not been seen since the crime was committed. Antonio was stabbed in the back and was found lying on the floor of the cabin, while his brother was still in his bed with his throat cut. It is thought that Eduardo was killed while his brother was absent, and that when Antonio returned and discovered the crime, he too was killed while bending over the body of his brother, for he was lying close to the bed upon which his dead brother was lying.

No cause is known for the crime and it is believed that it may have been prompted by robbery. At first reports received in Cananea were to the effect that the two men were killed by insurgents, but this was found to be erroneous.

RANGES IN GOOD SHAPE. SIERRA BLANCA, TEXAS, March 3.—Good rains have fallen in this section and stockmen are assured of plenty of grass and fat cattle. The ground is thoroughly wet and all tanks are full of water. The rain lasted for several days and nights and came slowly, thoroughly wetting the soil.

E. C. Perry, of the Conch Land Co., has returned from a business trip through Tennessee, Alabama and Kentucky, and says many people in that country are interested in Texas land and that several will move to this part of Texas soon.

J. F. Taylor has received 12 cars of steers from Valentine to put on range at his ranch near here. Mr. Taylor is expecting another shipment of cattle in a few days.

Van Jones, the T. & P. railway carpenter, is here with his gang and is building a new section house for the Texas & Pacific railway at this place.

The Gun hotel has again changed managers. Mr. Dockett and wife, former managers, having moved to El Paso, and A. G. Greenhill taking charge.

T. D. Love has received two carloads of pipe which he will use to pipe water from his Etholen plant, to his residence in North Sierra Blanca. Mr. Love has blocked off about 75 acres of his land near his residence into town lots and expects to furnish this addition to Sierra Blanca with water from his Etholen plant.

Jess Mosser has received a pair of thoroughbred Rhode Island Red chickens from Memphis, Tenn.

H. F. Boykin is erecting a stable on his lots in West Sierra Blanca.

T. W. Frost, T. & P. section foreman, has been sick for the last few days with grip.

R. M. Brown, of Tennessee, and J. J. McDonald, of Mississippi, were here inspecting land in this section for themselves and neighbors. They left last night for their respective homes and expect to move to El Paso county soon.

MAY DISCONTINUE MAIL ROUTE TO BOQUILLAS, TEX. Roella Ranch, Brewster County, Texas, March 3.—The mail route between Marathon and Boquillas is cut down from twice a week to once a week, with serious talk of its being cut off altogether. The people of this neighborhood depended entirely on this route for their mail, and are greatly exercised over the reports of its being stopped.

Roella has again received a slow drizzling rain. Ed Shackelford was seriously gored by an enraged bull, the horn going in at the lower cheek and coming out near the eye, making a dangerous and disfiguring wound.

RHEUMATISM

PURIFYING THE BLOOD THE ONLY PERMANENT CURE

No case of Rheumatism was ever cured except by a thorough purification of the blood; just as long as the blood remains charged with fermenting uric acid poison, the painful disease will continue. The pains and aches of Rheumatism are simply superficial effects of the impurities in the circulation, and sometimes may be temporarily relieved by the application of plasters, liniments, hot cloths, etc. But the person who trifles with this dangerous disease by depending on local treatment alone, is certain to pay for the mistake with constant suffering later on. S. S. S. cures Rheumatism in the only way it is possible to cure the disease. It goes down into the blood, and removes the uric acid from the circulation, so that the nerves, bones, muscles and joints are lubricated and fed with nourishing elements instead of being continually irritated and inflamed with the sharp, uratic impurity. When S. S. S. has cleansed and purified the blood, the pains and aches cease, all inflammation disappears, stiffened muscles are made pliant, and every troublesome symptom of Rheumatism is permanently corrected. Book on Rheumatism and any medical advice free to all who write.

MATINEE AT CRAWFORD. The matinee at the Crawford tomorrow promises to be a big one, as "The Prisoner of Zenda" is a bill that appeals to the women and children. "The Prisoner of Zenda" will also be played tonight and tomorrow night.

"SQUAW MAN." "The Squaw Man" Edwin Milton Royle's virile American play, which is to be presented at the El Paso theater tomorrow and Sunday, is generally acknowledged to be the greatest drama of western life yet written in the history of the American stage. This is a play of the west, romantic, stirring and filled with the color and characters of the country. Critics have been unprecedently unanimous in according to "Squaw Man" the unstinted praise of being one of the best American romances ever staged.

"COME across with a nickel or I'll make you get off and walk," exclaimed the street car conductor, petulantly. "Mebbe your kin make me git off," replied Tired Timothy, wearily, "but I d'ply yusse to make me walk."

TAKE IT IN TIME

Just as Scores of El Paso People Have. Waiting doesn't pay. If you neglect the aching back, Urinary troubles, Stomach, surely follow. Doan's Kidney Pills relieve back-ache. Cure every kidney ill. El Paso citizens endorse them.

Charles M. Wilson, 1212 Texas St., El Paso, Tex., says: "I have used Doan's Kidney Pills off and on for many years and have been given ample proof of their merit. In February, 1907, I publicly recommended Doan's Kidney Pills and at the present time, I take pleasure in confirming all I then said about them. I began to suffer from kidney trouble over twenty years ago and during changeable weather or when I took cold, my condition was always worse. I had an acute pain in my right side and any sudden movement caused sharp twinges to dart through my body. Often I was confined to my bed for a week at a time. I finally began using Doan's Kidney Pills, procured at Kelly & Pollard's Drug Store and they brought me prompt relief. As this remedy has always benefited me when I have used it since then, I naturally hold a high opinion of it." For sale by all dealers. Price 50 cents.
