O God, whose mercies are without number, and the treasure of whose goodness is infinite: we render thanks to Thy most gracious Majesty for the gifts Thou hast bestowed upon us, evermore beseeching Thy clemency that as Thou dost grant the petitions of them that ask Thee, so, never forsaking them, Thou wilt prepare them for the rewards to come. Through our Lord Jesus Christ. Amen.

O Lord, hear us as we thank thee for the work of thy Spirit in leading us to victory through the men who have represented our nation; and so guide us that this victory will know the strength of love and truth as we create a peace that is Eternal, through thy Son, Jesus Christ our Lord. Amen.
