

Psalm 23

*The LORD is my shepherd,  
I shall not be in want.  
He makes me lie down in green pastures  
he leads me beside quiet waters,  
he restores my soul.  
He guides me in paths of righteousness  
for his name's sake.  
Even though I walk through the valley  
of the shadow of death.  
I will fear no evil,  
for you are with me,  
Your rod and your staff, they comfort me.  
You prepare a table for me  
in the presence of my enemies  
You anoint my head with oil; my cup overflows.  
Surely goodness and love will follow me  
all the days of my life,  
and I will dwell in the house of the Lord forever.*

Eternal Father

*Eternal Father, strong to save  
Whose arm hath bound the restless wave  
Who bidd' st the mighty ocean deep  
Its own appointed limits keep,  
O hear us when we cry to thee  
For those in peril on the sea!*

*Lord Guard and guide the men who fly  
And those who on the ocean ply;  
Be with our troops upon the land,  
And all who for their country stand,  
Be with these guardians day and night  
And may their trust be in thy might.*

**LT DAREN D. JEWELL, USN**

*Lieutenant Jewell is a native of The Great Northwest. He was destined to become a pilot from the beginning- you see his father owned several private planes. The family joke is that while Daren's mother was giving birth, his father was at home waxing his new plane.*

*Daren then graduated from Oak Harbor High School and spent his first year of college at Embry-Riddle Aeronautical University. In a move to further his pursuits to become a Navy pilot, he then transferred to Washington State University and joined the NROTC Program there. 3 years later he graduated with a commission and a degree in mathematics and headed to Pensacola.*

*The 2.5 year road to wings went through such exotic places as Milton, FL(VT-2); Meridian, MS(VT-19); and Kingsville, TX(VT-22).*

*Lieutenant Jewell then went to NAS Lemoore to learn to fly the FA-18 Hornet at VFA-125. Lieutenant Jewell was then assigned to be a replacement pilot with the World Famous Fighting VIGILANTES of VFA-151.*
