Help Restore the SSN 645, James K. Polk!

\$100 - \$10000

The National Museum of Nuclear Science & History is the proud owner of the SSN 645, James K. Polk Submarine sail. We need your help restoring, preserving and displaying an important part of nuclear submarine history. 4,122 bricks will be placed on a path outlining the sail in the Museum's outdoor Heritage Park.

Giving levels indicate where your brick will be located in relation to the sail. The higher levels will be located closer to the sail itself:

\$1000+:	Admiral
\$750-\$999:	Commodore
\$500-\$749:	Captain
\$250-\$499:	Commander
\$101-\$240:	Ensign
\$100:	Bricks
